

Sports Blog Bengals Week two preseason recap The GoodPunter Kevin Huber may be an early candidate for Bengals MVP, nfl jerseys for 2012. He is having a great preseason and booted several more impressive punts Sunday against the Jets. Huber had nine punts for 424 yards, which is a stellar 47.1 average. Cincinnati's first-team offense made some strides this week. The offense struggled early (we got to that behind) but the defense did a chaste job of keeping the game close in the 1st half. Cincinnati's first-team offense gave up 10 points in the 1st half. The Jets had a lengthy touchdown drive in the 1st half against a mix of Bengals starters and backups. The Cincinnati offense does not look prepared for Week 1. This element is impartial too sloppy. Cincinnati's first three possessions ended unfavorably: an Andy Dalton interception, a 17-yard detriment on a play that forced a kick and another interception. The timing just looks off, however Cincinnati's starting offense eventually warmed up at the end and scored its 1st touchdown of the preseason, new nfl jerseys. Overall, the Bengals need to start better. They have been outscored 41-10 in the first half while starters get a majority of the playing duration. Yes, it's only the preseason, authentic nfl jerseys. But it doesn't seem comely when Cincinnati's first crew routinely fails to set the tone. The Bengals aren't the Pittsburgh Steelers alternatively Green Bay Packers. Cincinnati is a juvenile team that needs to show something in the preseason to acquire impetus and confidence for the regular season. Tagged with: Categorized as: Sports Blog Comments are closed.
